Address: 5200 Baltimore Ave Suite 201 Hyattsville, MD 20781

Description:

CLINTON+RIES Landscape Architects, PC (C+RLA) is a women-owned business led by Kate Ries, and certified by NWOBC. Our 25-year legacy and reputation has been built by providing a beautiful coalescence of landscape architecture, art, and horticultural design. C+RLA has developed a dynamic practice inspired by stewardship. With people and aesthetics at the forefront, our innovative landscapes are designed in response to surrounding natural systems, client needs, and sustainable solutions.

Our range of projects illustrates the broad base of knowledge, ingenuity, and ability to design, manage, and oversee the implementation of our work. Our portfolio includes memorials, mixed-use developments, botanic gardens, corporate and educational campuses, ski and golf resorts, green roofs, urban and rural recreation parks, and private residential estates.

Our design services include site analysis, master planning, site-specific landscape architectural design, planting design, irrigation and landscape lighting design, and design and layout of site furnishings. Our work is phased to include Concept & Schematic Design, Design Development, Construction Documentation, Construction Administration, and Horticultural Services. We participate in and enjoy leading collaborative design teams for all project types.

FORM Garden Design

1 Student / March 5th, 6th, 7th (10:00 AM – 2:00 PM)

Address: 1215 E Fort Avenue, Suite 200, Baltimore, MD 21212

Description:

FORM Garden Design is a boutique garden design and landscape architecture firm founded and helmed by Kevin Gaughan. Bringing together humanity, architecture, and nature, thoughtful garden design results in a space that comes alive with the interaction of people. At work, play or relaxation, humans transform a curated corner of nature into a living, breathing presence. At FORM, we create outdoor spaces that are an extension of your home. Far from being an obligation, we design gardens that you'll love to engage with. In that spirit, we are eager to collaborate with architects and other designers as well as homeowners during the design process. We are committed to an honest, transparent, and approachable process. Our team of four is dedicated to providing a first-class experience to our clients.

Jonathan Ceci Landscape Architects

2 Students / March 8th (10:00 AM - 5:00 PM)

Address: 1400 Greenmount Ave, Baltimore, MD 21201

Description:

We are a small firm of Landscape Architects. At our best, we are alchemists, taking the dirt and dross of our planet--it's wastelands, its waterways, its polluted places--and transforming them into flourishing communities of plants, people and wildlife. We are adept at collaborating with architects and other disciplines, but we also feel that landscape architecture needs its own space to follow its creative genius. JCLA was founded out of a desire to provide clients with a higher level of design service through a return to the fundamentals of landscape architecture. A commitment to the distinctness of landscape architectural practice has informed our practice from its inception.

Website: www.jonathanceci.com

Land Design

4 Students / March 5th or 8th (9:30 AM - 1:30 PM)

Address: 200 S Peyton Street, Alexandria, VA 22314

Address: 600 Maryland Avenue SW, Suite 3300, Washington, DC 20024

Description:

Smithsonian Gardens is a sixty-person living museum and public garden within the larger Smithsonian Institution. Our staff steward 180 acres of outdoor gardens that surround the Smithsonian Museums on the National Mall in DC and elsewhere. Smithsonian Gardens' two landscape architects work on planning, design, and construction projects that touch the gardens across the Institution. Projects range in scale from museum master plans to large-scale design projects to garden exhibit design. We look forward to sharing a window into landscape architecture at the Smithsonian Institution in Washington, DC's Monumental Core.

Website: <https://gardens.si.edu/>

Unknown Studio

2 Students / March 4th or 5th (9:00 AM - 1:00 PM)

Address: 2612 Maryland Ave. Baltimore, MD 21218

Description:

Unknown Studio is a landscape architecture and urban design practice with a deep belief in the power of the designed landscape to bring joy, wonder, beauty, and improved quality of life to all. Through the craft of design and engaged collaboration we create new places and microclimates, tell stories, unearth memories and amplify the culture and ecology of the places in which we live. We design at all scales and sites, on the spectrum from urban to rural, regional to human scale. Regardless of site, size, or program, we strive to imagine and realize built landscapes that reframe daily experience and promote a sense of immersion that awakens, inspires, and connects. We work with our clients and stakeholders to create cohesive, experientially powerful places that are inclusive of all people.
