MARYLAND CHAPTER
AMERICAN SOCIETY OF LANDSCAPE ARCHITECTS

2024 CIRCLE OF SUPPORT

BECOME PART OF THE CIRCLE

The chapter has developed an annual chapter sponsorship we are calling the Circle of Support. The hope is that member firms will commit to the success of the chapter by joining this group and pledging financial support. In recent years, the chapter has paid for management services, scholarships, and other obligations mostly through event revenue and industry sponsors. The inability to host our normal slate of events has greatly hindered those efforts. To better prepare for tomorrow, we have decided to open up this annual opportunity to be recognized as a patron of the chapter similar to the support that firms give our allied organizations like the AIA and APA.

We know that you already might pay for employee ASLA dues, so we are keeping our request modest. A donation to the MDASLA will help us continue to support landscape architects in Maryland - whether they are members or not. We are proud that many non-members like students and emerging professionals benefit from our events and advocacy. We are making this request to continue our efforts here in Maryland for many years to come.

WHAT DO YOU NEED TO SEND US?

- Mail us a check with an amount equal to your firm size
- Email your logo (Hi-Res PNG both White and Color Versions)
- When submitting an award entry, verify that the first entry is half off

Circle of Support firms will be highlighted on our website and digital marketing as well as at all events throughout the year.

CIRCLE OF SUPPORT HAPPY HOUR

This upcoming February, the MDASLA Chapter is going to be hosting it's first Circle of Support Happy Hour. This is an exclusive event for Circle of Support Members to meet up, share their ideas, and support the profession.
